Published bimonthly, one volume per year, by John Wiley & Sons, Inc. Copyright © 1981 by John Wiley & Sons, Inc., 605 Third Avenue, New York, New York 10158. All rights reserved. Reproduction or translation of any part of this work beyond that permitted by Sections 107 or 108 of the United States Copyright Law without the permission of the copyright owner is unlawful.

The code and the copyright notice appearing at the bottom of the first page of an article in this journal indicate the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. The per-copy fee for each article appears after the dollar sign and is to be paid through the Copyright Clearance Center, Inc., 21 Congress Street, Salem, Massachusetts 01970. (The fee for articles published prior to 1978 is $1.00 per article.) This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the publisher.

Subscription price (1982): $80.00 per volume. Postage and handling outside U.S.A.: $15.00 by surface; $80.00 by air. Please allow four weeks for processing a change of address. Back volumes, microfilm, and microfiche are available for previous years. Request price list from publisher.

Second class postage paid at New York, New York and at additional mailing offices. Claims for undelivered copies must be made no later than three months following month of publication. Missing copies will be supplied when losses have been sustained in transit and if reserve stock permits.

Developmental Psychobiology

Volume 14, 1981

Contents

NO. 1, JANUARY 1981

1 **Recovery of the cortical evoked potential from auditory stimulation in children and adults**
W. W. Surwillo

13 **Attachment in chicks: Effects of companion species on social preferences**
J. L. Hindman

19 **Dietary influences on the development of sucrose acceptability in rats**
M. Bertino and F. Wehmer

29 **Sensory influences on homing of stunted rat pups**
S. F. Fleischer, G. Turkewitz, and H. Finklestein

41 **Echolocation by young bats on their initial and subsequent flights**
E. Gould, B. Cooley, and P. Barnick

55 **Subspecies differences in curiosity and general activity for developing squirrel monkeys**
M. A. Roy, C. W. Hennig, E. M. Hill, and M. L. Walker

59 **Recovery from experimentally induced problem-solving deficits in neonatal Peking ducklings as a function of environmental stimulation**
M. B. Heaton and S. L. Klein

67 **Suckling: Developmental indicator of genetic obesity in mice**
L. M. Wilson, S.-S. P. Chang, S. J. Henning, and D. L. Margules

75 **The effects of age on the kindling phenomenon**
S. L. Moshé

83 **Reactivity to light and development of classical cardiac conditioning in the kitten**
S. A. Bloch and C. Martinoya

93 **Information for contributors**

NO. 2, MARCH 1981

95 **Avoidance learning under delayed shock termination in prenatally x-irradiated rats**
Y. Tamaki and M. Inouye

101 **Behavioral and adrenocortical reactivity in female mice following individual or group housing**
D. Benton and P. F. Brain

109 **Responses of juvenile bonnet macaques to social stimuli presented through color videotapes**
E. H. Plimpton, K. B. Swartz, and L. A. Rosenblum

117 **Age group differences in bovine investigatory behavior**
R. M. Murphey, F. A. Moura Duarte, W. Coelho Novaes, and M. C. Torres Penedo

127 **Canalization of arousal in the preweanling rat: Effects of amphetamine on aggregation with surrogate stimuli**
B. A. Campbell and L. A. Raskin

139 **Adjustment of weanling and adolescent rats to a reward condition requiring slow responding**
J. -S. Chen, K. Gross, M. Stanton, and A. Amsel

147 **Cultural and biomedical correlates of neonatal behavior**
C. G. Coll, C. Sepkoski, and B. M. Lester

155 **Neonatal stress in lambs: Behavioral and physiological responses**
G. P. Moberg and V. A. Wood

163 **Compensatory social responses of older pigtailed monkeys to maternal separation**
I. S. Bernstein and M. Dobrofsky

169 **Comment: Is stress due to shipment of animals a confounding variable in developmental research?**
B. D. Sachs and A. R. Lumia

NO. 3, MAY 1981

173 **Editorial: The bounty of behavior**
G. W. Meier

177 **Effect of reciprocal cross-fostering on aggression of female mice toward lactating strangers**
M. Haug and B. Pallaud

181 **Ethanol during weaning induces a transient susceptibility to audiogenic seizures in Rb mice**
R. A. Schreiber and A. Lehmann

187 **Heightened arousal in the 2-week-old rat: The importance of starvation**
W. H. Moorcroft

201 **Behavioral deficit in phenylketonuric rats: Role of aromatic acid metabolites of phenylalanine**
H. Kaplan, T. Triano, and M. Donadio

209 **Postparturitional reestablishment of pup cannibalism in female gerbils**
R. W. Elwood

213 **Perinatal methylmercury intoxication: Behavioral effects in rats**
R. L. Schalock, W. J. Brown, R. A. P. Kark, and N. K. Menon

221 **Serotonin regulation of corticoid secretion in infant rats**
L. J. Grota

229 **Visual discrimination in rats: The effects of rehabilitation following intergenerational malnutrition**
J. R. Galler

237 **Brightness effects on color pecking preferences in dark-hatched domestic chicks**
G. J. Fischer and S. J. Davis

251 **Development of infant independence in a captive group of lowland gorillas**
M. P. Hoff, R. D. Nadler, and T. L. Maple

267 **Receiving severe aggression correlates with fetal gender in pregnant pigtailed monkeys**
G. P. Sackett

273 **Effect of differential rearing on brain, liver and adrenal tissues**
L. L. Uphouse and H. Brown

279 **Development of wing-flapping and flight in normal and flap-deprived domestic chicks**
R. R. Provine

293 **Comment: Speaking of priorities and reliabilities: A reply to Galler**
E. A. Carlini

297 **Erratum: The effects of age on the kindling phenomenon**
S. L. Moshé

NO. 4, JULY 1981

299 **Peer and maternal influences on the expression of foot-clasp mounting by juvenile male rhesus monkeys**
K. Wallen, D. A. Goldfoot, and R. W. Goy

311 **Ontogeny of control over the acoustic startle reflex by visual prestimulation in the rat**
T. Parisi and J. R. Ison

317 **Deficits in spatial memory performance induced by early undernutrition**
T. C. Jordan, S. E. Cane, and K. F. Howells

327 **The ontogeny of play in rats**
J. Panksepp

333 **Fluoxymesterone and the development of sexual behavior in the golden hamster**
A. J. Vomachka and L. G. Clemens

343 **Isolation has permanent effects upon the behavior of the rat, but not the mouse, gerbil, or guinea pig**
D. F. Einon, A. P. Humphreys, S. M. Chivers, S. Field, and V. Naylor

357 **Hypothermia-induced retrograde amnesia in mature and aged rats**
R. J. Hamm

365 **Effects of restriction of maternal uterine blood supply on postnatal conditioning of heart rate and behavioral development in dogs**
D. L. Francisco, R. D. Fitzgerald, M. S. Lawson, D. M. Potter, and J. Metcalfe

375 **Experiential influences on the development of huddling preferences and "sibling" recognition in spiny mice**
R. H. Porter, V. J. Tepper, and D. M. White

383 **Alterations of maternal behaviors of female rats caring for malnourished pups**
S. F. Fleischer and G. Turkewitz

389 **Short-term juvenile crowding arrests the developmental formation of dendritic spines on tectal interneurons in jewel fish**
J. W. Burgess and Richard G. Coss

397 **Volume discrimination learning in golden hamsters: Effects of the structure of complex rearing cages**
C. Thinus-Blanc

NO. 5, SEPTEMBER 1981

405 **Developmental aspects of 2-way shuttlebox avoidance in the spontaneously hypertensive and normotensive rat**
J. R. Sutterer, W. J. DeVito, and I. Rykaszewski

415 **Single-dose tolerance to morphine-induced analgesic and hypoactive effects in infant rats**
M. T. Bardo and R. A. Hughes

425 **The effect of early visual experience on spatial maze learning in rats**
R. C. Tees, G. Midgley, and J. C. Nesbit

439 **Right-hand preference facilitated by rightward turning biases during infancy**
J. Liederman and J. Coryell

451 **Jewel fish retain juvenile schooling pattern after crowded development**
R. G. Coss and J. W. Burgess

459 **A fit mouse is a hoppy mouse: Jumping behavior in 15-day-old *Mus musculus***
N. D. Henderson

473 **Auditory imprinting in domestic chicks during tonic immobility**
S. E. Sigman and A. M. Prestrude

481 **Wing-flapping develops in chickens made flightless by feather mutations**
R. R. Provine

487 **Acceleration and delay of puberty in female housemice: Methods of delivery of the urinary stimulus**
L. C. Drickamer and S. M. Assmann

498 **Announcement**

NO. 6, NOVEMBER 1981

499 **Taste aversion following backward conditioning procedures in preweanling and adult rats**
J. J. Franchina and S. Dietz

507 **Regulation of visual attention in offspring of female monkeys treated chronically with Δ^9-tetrahydrocannabinol**
M. S. Golub, E. N. Sassenrath, and L. F. Chapman

513 **Behavioral correlates of physical and neuromotor maturity in adolescents from different environments**
D. P. Waber, M. Bauermeister, C. Cohen, R. Ferber, and P. H. Wolff

523 **Effect of surrogate-administered punishment on surrogate contact in infant squirrel monkeys**
J. N. Kaplan

533 **Effects of handling during infancy on the sympathetic–adrenal medullary system of rats**
R. McCarty, W. G. Horbaly, M. S. Brown, and K. Baucom

541 **Home-orienting behavior in rat pups: The effect of 2 and 3 generations of rehabilitation following intergenerational malnutrition**
J. R. Galler and C. Seelig

549 **Maternal touch at 1st contact with the newborn infant**
W. R. Trevathan

559 **A response adjustment procedure for assessing stimulus preference in preweanlings**
G. H. Rose

565 **Effects of fostering on seizure activity in the mongolian gerbil**
H. Kaplan

571 ***Developmental Psychobiology:* A statement of scope**

573 **Acknowledgment**

575 **Information for contributors**

577 **Author index**

581 **Subject index**

iii **Volume contents**
